

Natalia Salcido Legacy Foundation

On May 9, 2015, one week before her Sweet 16th Birthday, Natalia Salcido lost her life in a tragic car accident. She is the cherished daughter of Andora Salcido & San Jose Fire Captain Christopher Salcido and beloved older sister of Noelle. Natalia grew up in the City of Gilroy in south Santa Clara County. She was a sophomore honor's student at Christopher High School, Varsity Cheer Leader, and had just been elected Junior Class Secretary.

Natalia touched many with her beautiful smile and giving personality. From a very young age, Natalia was creating her legacy by being a part of organizations that help others. She volunteered at toy drives for children during Christmas, homeless shelters, senior citizen living centers, and supported many other outreach events that stretched beyond her local community. She truly loved and believed in giving back. She lived her life with passion and strived to make positive changes in people's lives and the world she lived in.

To continue Natalia's legacy of helping others her parents have established a Non-profit organization called the "Natalia Salcido Legacy Foundation" through the Gilroy Foundation. This organization disburses funds in the form of Scholarships & Grants to local youth's & programs that Natalia participated in and loved. They include but not limited to: sports, cheerleading, leadership programs, theater, girl scout camps, educational travel and the arts, etc.. Through this Fund, Natalia's spirit and legacy will live on as others enjoy these programs as much as she did. We hope that the recipients will continue to give back to their community just like Natalia.

We are sure Natalia would be proud and honored to know that her legacy of helping others continues on.
